SIR,

Halkur Village Panchayet - Functions under Tank Panchayet Regulation - Hanumenahalli Tank - Goribidnur Taluk.

I have the honour to forward herewith the Chickballapur - Sub Division Officer's No.S1-C.1686/27-28 dated 14-8-28 - submitting for orders the proposal of the Halkur Village - Panchayet to take over the management of 'Hanumenahalli Tank to their control and to state as follows:-

2. It will be seen from the Chairman's report that there is no Tank Panchayet for Harumenahalli Tank. On account of - - cummulative neglect of the ryots to do the annual maintenance work to the Tank the bund is said to be in a state of disrepair. Moreover much wastage of water is said to accrue due to the - indiscriminate drawing off of water from the tank without any regard to the actual requirements, giving room for unpleasant bickerings among the ryots. With a view to obviate all these defects the Village Panchayet have resolved to take over the management of the Tank to their Control. The Amildar and the Sub Division Officer have recommended the proposal of the - Panchayet for sanction.

3. In the circumstances explained above I request that you will be so good as to obtain sanction of Government to invest the village Panchayet of Halkur with functions under Tank Panchayet
